## TYLER'S DAY AT THE BATCAVE!

The Phoenix Ghostbusters were honored to be apart of a very special event Courtesy of Charles Keller of The Colten Cowell Foundation, Hope Kids and his incredible recreation of the Batcave and the vehicles to go with it including the infamous Batmobile! The set up is for kids less fortunate to feel like superheroes themselves. Our Member, Mark Fritz Jr. worked hard at getting a very special boy, Tyler moved up on the list (wait list for over 2 years) to enjoy this experience. For Tyler, it is his turn to be hero and we will be there for him to usher in his heroism!

In support of being there for Tyler and Mark's hard work on making this happen, The Colten Cowell Foundation not only donated to Hope Kids, but to us as well, for a donation of \$2,000. We could not have been more surprised to receive such and gift from them and will make sure it is paid forward to those charities we will be working with in the coming weeks!

A Very special thanks to Charles Keller and his foundation as we look forward to working with them in the near future!

Please check them out at <https://coltencowellfoundation.org/>
