INDEPENDENT AUDITORS' REPORT

Board of Directors
HopeKids, Inc.
Scottsdale, Arizona

We have audited the accompanying financial statements of HopeKids, Inc. (the Organization), which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
HopeKids, Inc.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of HopeKids, Inc. as of December 31, 2017 and 2016, and the change in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

HOPEKIDS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31 2017 AND 2016

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

HopeKids, Inc. (Organization) is an Arizona nonprofit corporation. The Organization was established in 2001 to restore hope and transform lives of children who are fighting life-threatening illnesses. The Organization believes that by bringing joy to these remarkable children via an ongoing schedule of special events and activities, they can help cultivate hope, acceptance and most importantly, the will to live. The Organization has chapters in Arizona, Minnesota, Colorado, Texas, and the Kansas City area.

Basis of Presentation

The accompanying financial statements are presented in accordance with American Institute of Certified Public Accountants (AICPA) Not-for-Profit Industry Guidance within the Financial Accounting Standards Board (FASB) Codification (Guidance). Under the Guidance, the Organization is required to report information regarding the financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets as follows:

Unrestricted Net Assets

Unrestricted net assets are not subject to donor-imposed stipulations and are available at the discretion of the Board for use in the Organization's operations.

Temporarily Restricted Net Assets

Temporarily restricted net assets are those which are subject to donor-imposed stipulations that may or will be met by the actions of the Organization and/or the passage of time.

Permanently Restricted Net Assets

Permanently restricted net assets are those which represent permanent endowments where it is stipulated by donors that the principal remain in perpetuity and only the income is available as unrestricted or temporarily restricted, as per the endowment agreements. At December 31, 2017 and 2016, the Organization had no permanently restricted net assets.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted explicitly by donor stipulation or by law. Expirations of temporary restrictions on net assets, i.e., the donor stipulated purpose has been fulfilled and/or the stipulated time period has elapsed, are reported as reclassifications between the applicable classes of net assets. Contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenues in unrestricted net assets.

HOPEKIDS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31 2017 AND 2016

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make a number of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization classifies amounts on deposit in banks and cash invested in instruments with original maturities of three months or less as cash and cash equivalents.

Investments

Investments consist primarily of fixed income corporate bonds and stocks that are recorded at fair value as determined by quoted prices for similar assets and liabilities in active markets. Investment income or loss (including realized and unrealized gains and losses on investments, interest, and dividends) is included in the change of net assets in the accompanying statements of activities.

Contributions Receivable

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met. The contributions receivable at December 31, 2017 and 2016 are considered to be fully collectible by management and, accordingly, an allowance for doubtful accounts is not deemed necessary.

Property and Equipment

Property and equipment with a cost greater than \$1,000 are capitalized at historical cost or estimated historical cost if actual historical cost is not available. Donated property and equipment are recorded at the fair value at the date of gift to the Organization. Depreciation and amortization of property and equipment is computed on a straight-line basis over their estimated useful lives, which range from three to five years. Maintenance and repairs are charged to operations when incurred. When property and equipment is sold or otherwise disposed of, the asset account and related accumulated depreciation account are relieved and any gain or loss is included in operations.

HOPEKIDS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31 2017 AND 2016

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Impairment of Long-Lived Assets

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or fair value less costs to sell. Management does not believe impairment indicators were present at December 31, 2017 and 2016.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished or a donor removes a restriction), temporarily or permanently restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Contributed Goods and Services

Noncash contributions are recorded at their fair values. The Organization receives gifts such as events, tickets, and the like in order to give to families who have a child with a life-threatening illness. These noncash items are recorded as noncash revenue at time of receipt and recorded to program expenses when given to families. The noncash contributions are almost immediately given to families so at any time during the year the Organization has no material inventory on hand. A summary of contributed goods and services for the years ended December 31 are as follows:

	2017	2016
Program Events	\$ 1,936,704	\$ 1,661,562
Professional IT Services for the Program	14,777	19,800
Marketing	35,450	-
Internet Services	8,071	8,071
Total	\$ 1,995,002	\$ 1,689,433

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statements of activities and change in net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The costs are allocated based on time spent on the activities.

HOPEKIDS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31 2017 AND 2016

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Market Value Risk

The Organization invests in a variety of corporate bonds and stocks. In general, investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect investment balances and the amounts reported in the statements of financial position.

Fair Value Measurements

Fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy at the measurement date. This fair value hierarchy maximizes the use of observable inputs by requiring that the observable inputs be used when available. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access.

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Income Taxes

The Organization qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, there is no provision for federal or state corporate income taxes. In addition, the Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Code.

Management believes that no uncertain tax positions exist for the Organization at December 31, 2017 and 2016.

HOPEKIDS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31 2017 AND 2016

NOTE 2 FAIR VALUE

The overall investment objective of the Organization is to invest its assets with a conservative investment strategy to manage risks using the conservation of principal to enable easy access to funds.

Investments at December 31, 2017 consist of corporate bonds that are considered Level 2 investments. Investments at December 31, 2016 consist of a corporate stock that is considered a Level 1 investment.

Total investment income, gains, and losses for the years ended December 31, 2017 and 2016 consist of the following:

	2017	2016
Interest and Dividend Income	\$ 7,136	\$ 26,448
Realized and Unrealized Gains (Losses), Net	(2,124)	194,640
Less: Investment Expenses	(328)	(150)
Investment Income, Net	<u>\$ 4,684</u>	<u>\$ 220,938</u>

NOTE 3 PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

	2017	2016
Software	\$ 89,880	\$ 89,880
Leasehold Improvements	20,000	-
Office Equipment	26,302	19,581
Total	<u>136,182</u>	<u>109,461</u>
Less: Accumulated Depreciation and Amortization	(106,499)	(99,396)
Property and Equipment, Net	<u>\$ 29,683</u>	<u>\$ 10,065</u>

Depreciation and amortization expense was \$7,103 and \$11,354 for the years ended December 31, 2017 and 2016, respectively.

NOTE 4 TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets are time restricted for both years ended December 31, 2017 and 2016.

HOPEKIDS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31 2017 AND 2016

NOTE 5 DONATED SERVICES

Donated services are recognized at fair value if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donations. Donated services meeting these criteria totaled \$14,777 and \$19,800 for the years ended December 31, 2017 and 2016, respectively.

The Organization also received donated services from unpaid volunteers at HopeDay program of events throughout the years ended December 31, 2017 and 2016. No amounts have been recognized in the statements of activities because the criteria for recognition have not been satisfied.

NOTE 6 RELATED PARTY TRANSACTION

The Organization does not have office space and the employees work from their homes at no cost to the Organization.

NOTE 7 CONCENTRATION OF CREDIT RISK

The Organization maintains all of its cash with high-credit quality financial institutions. Balances on deposit are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Balances in excess of FDIC limits are uninsured. As of December 31, 2017 and 2016, a significant portion of the cash balance was in excess of the FDIC insurance coverage limit.

For the year ended December 31, 2017, one donor accounted for 17% of total contributions. There was no concentration of revenue for the year ended December 31, 2016.

NOTE 8 RETIREMENT PLANS

The Organization has outsourced its payroll and benefits function to Insperity, a Professional Organization (PEO). Under the Organization's co-employment agreement, Insperity established a 401(k) retirement savings plan for the employees. The Organization makes the employees aware of the plan, withholds voluntary contributions from paychecks, and remits the contributions to an independent trustee. Each participant may contribute their eligible compensation on a pretax basis to the plan up to a maximum allowed by the Internal Revenue Code. Total employer contributions to the plan were \$31,848 and \$24,426 for fiscal years 2017 and 2016, respectively.

HOPEKIDS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31 2017 AND 2016

NOTE 9 SUBSEQUENT EVENTS

Management evaluated subsequent events through May 3, 2018, the date the financial statements were available to be issued. Events or transactions occurring after December 31, 2017, but prior to May 3, 2018 that provided additional evidence about conditions that existed at December 31, 2017, have been recognized in the financial statements for the year ended December 31, 2017. Events or transactions that provided evidence about conditions that did not exist at December 31, 2017, but arose before the financial statements were available to be issued have not been recognized in the financial statements for the year ended December 31, 2017.
